Map.

- Blumer, W.** Karte des Glaernischgebietes. 1:25000. W. Blumer, Ingenieur, Bern, 1937
- This very fine relief map will be most useful to climbers visiting the Glärner Alpen. It is an interesting and skilful piece of work, and much care has been taken in the details. A new departure is the distinctive marking of forests of leaf-bearing trees against that of pine forests.
